

## Turkish Demonstration against Armenian Lies in the US

Turks and their friends will protest the Armenian lies and the resolutions at the US Congress with demonstrations in New York and Washington on April 21st and 22nd respectively. The demonstration in New York will be carried out in Times Square and the one in Washington in Farragut Square. The demonstrations aim at attracting American attention to the Armenian lies and at protesting Resolution 106 at the US House of Representatives. As TURKSES we invite all our readers living in the US to participate in the demonstrations and to make the voice of the truth to be heard among long told Armenian "genocide" lies. Please read the following flier for details.
